Sunday 8th July, Hull Auto Club, Open Farndale 2-lap Charity Trial

On Sunday 8th July, Hull Auto Club will run their Farndale East side 2-lap OPEN charity Trial for the Humberside Trophy in aid of the Farndale Village Hall Fund and Farndale Cricket Club.

This is an OPEN trial for all Adult & Youth solos with separate conducted Youth D & E (held near the start field). This trial also incorporates EYC Championship round for Adults and Youths rescheduled from our cancelled event on 29th April.

Because of the Charity aspect of the Trial, many additional land owners have allowed us to use or cross over their land and the course will consists of 2 laps of 20 varied sections with a great ride round all off road with some old favourites and some new challenges.

As you may know, Hull Auto always runs 3 routes, Expert, Clubman A and easy Clubman B. Intermediates ride a mixture of Expert and Clubman A sections, following the Clubman A route on the harder expert sections.

The start area is at Hill Houses, High Farndale, Kirkbymoorside YO62 7LH. Signed from the Hutton le Hole to Castleton road, down Blakey Bank to Church Houses. Only use this way into Farndale.

Please support this trial, which creates endless goodwill in the dale.
