NEWS SHEET 2017

Memberships It is now time to renew your membership and passes etc for 2018. At our recent AGM it was decided to keep prices at their current level. So fees are £31 for a pass, £8 for a membership & £11 for a new key £6 to exchange a key **don't forget to send your old key with your renewal form.**

PLEASE MAKE SURE THAT YOU ATTACH YOUR OLD KEY TO SOMETHING INSIDE THE ENVELOPE AS A LARGE NUMBER OF ENVELOPES ARRIVED MINUS THE KEY THIS YEAR ALSO MAKE SURE THAT YOU USE STRONG ENVELOPES. When filling in the membership form please read it ALL carefully and let me know if you require a unique number or not for your licence application. The lock will be off the gate from 31st December to 31st January to allow you to renew your membership pass and key. Anyone not displaying a new pass by the end of February will be told to leave the area.

Trials ALL our trials will be running on the STOP PERMITTED TSR 22A rules in 2018. In 2018 there will be no Summer Series, instead all fully paid up members will amass points in ALL trials up to the end of October 2018. Then the club championships can be sorted ready for the prize night which will be on 30th November 2018.

You will not start getting points until you have paid your 2018 membership.

We have a full programme of events for 2018 and this year we will again be running the Dales Trophy Trial as a two lapper all off road. This will be run on Sunday 17th June 2018. A lot of hard work goes into putting this trial on and I for one would like to see this hard work rewarded with a good entry. All the money from this trial goes to supporting our three good causes so lets have a great entry. The Hardaker was run as a British Championship Round and though a lot of hard work was put in it proved to be worth it and we have again been granted a British Championship round for 2018 on 26th August. Once again there will be a lot of hard work to try and find one or two different sections and anyone who is willing to help will be very welcome.

It was decided at our committee meeting on Thursday 2nd November that we will run a White Route for beginners and those who do not want to ride the slightly harder sections.

George McGee will be running his conducted trials helped by Richard Arbon and other mums and dads at all our events. This is open to all youths who are just starting out so they can get the experience of knowing what it is like in a competition.

Trials Secretary. Mia McGee is helping with this job.

AGM. At the AGM there were some changes to the committee namely Mrs Ann Watson resigned and becomes a life member. Andy Wheatley resigned. Mark Jewell, Andy Metcalfe, Luke Jackson, Jack Doble, Ron Chapman, Jeremy Saffin all came onto the committee. We welcome them all and I am sure they will give good service to the club.

Some members are still letting none members into the practice area. This is not right and if you are seen letting in none members then your membership is liable to be revoked. You have paid so should they it is not a vast sum. Our wardens do a good job but your help in stamping this out is also needed.

General Secretary: This job is vacant. Anyone wishing to take on this job will be most welcome. Ann has said that she will help anyone taking the job to settle in.

Don't forget we meet on the first Thursday of the month at 8pm for a committee meeting then a drink and chat upstairs afterwards. Do come along and join in the chat about anything bikes, trials or bits and pieces.

Finally the committee of G&DMCC Ltd would like to wish all our members a MERRY CHRISTMAS AND A HAPPY NEW YEAR.

BILL.
