Dear Mrs Filer

I was delighted to receive from Eileen Race your cheque in the sum of £517.00, which I understand is a donation in lieu of awards from your Club members. The Trustee's and Administrative Committee of The ACU Benevolent Fund are extremely grateful and would wish that you pass our thanks onto everyone concerned.

As you are well aware the ACU Benevolent Fund was set up as a Registered Charity in the 1950's and is the only charity that is there to support motorcyclists. Anyone who, at any time has been a member of an Affiliated Club or who is the dependant of a member should qualify for assistance. All money donated goes entirely to the Fund and there are no deductions for administrative costs as we all work on a voluntary basis. The Trustees rely solely upon donations, and we are extremely grateful for everything we receive.

I am proud to say that the Fund helps many people from all over the UK in times of need and often in very distressing circumstances. You can be assured that with continued support such as this, we can go on to help many more people in the coming years and you may be interested to know that our Fund paid out £67,800.00 in 2016 to those requesting assistance, so every single penny counts.

I enclose our Official Receipt for your records.

With best wishes.

Yours sincerely  
On behalf of
