Thanks to Scarborough & DMC for the use of this great bit of land and to the ladies providing the hot catering Karen Chilton & Mrs Tanton, to Dave Chilton for opening up & getting the generator going, to the CoC Mark Williamson assisted by Roy Jarvis & Callum Williamson. Thanks to our secretarial staff of Shirley Williamson assisted by Sue Austermuhle and Jayne Peace, our chairman-making her return to health after recovering from cancer treatment.

Special thanks to regular observer Steph Myers who although not able to be with us today, baked several tins of delicious mince pies. which were distributed to the observers & helpers throughout the trial. Shirley Williamson had also been busy baking and provided more cakes for club officials.

Better give a final thanks to my long suffering wife Sue, who puts up with the demands of trials all year long, does secretarial work at trials and then goes home to type all the rider details into the computer before we do the results together.

Thanks to observers Dawn Sharp, Pete Race & Mike Duston, Trev Jones, Richard Pulman, Pete Darrell, Andy Dixon, Andy Lockett & sister, Ron Noble, Keith Ellis, Harold Wilson, Sam Dring and Edgar Gaines-Burrill. Thanks also to Mark Smith for running the conducted route.

Hull Auto would also like to thank John Watson for covering and reporting our events for TMX during 2018 and to photographers Jaxx Lawson and Peter & Wendy (Pwpics) for taking & posting all those great action photos of riders during the year.

Number Boards

Please note that the observers must be able to see your riding number clearly and when the number card is partly obscured by tape onto a headlight it becomes difficult to read even more so when coated with mud. The onus is on the rider to keep the number legible and ideally should be under a proper plastic cover (number board) which can be wiped clean at any time -so you get the correct score!!.

2019 Season

It's a long winter for Hull Auto and our first trial of 2019 is on Sunday 28th April, the first of our popular Farndale 2-lap charity trials with a big lap covering a great piece of land on the West side of Farndale, North Yorkshire. It will be fully advertised on Trials Central, TMX, Scarborough & DMC and Guisborough & DMC websites and the Hull auto FB Page.

Hull Auto Club is centered in Ryedale, North Yorkshire and only runs trials in Rosedale, Farndale, Helmsley and Lockton areas of North Yorkshire. All our trials are OPEN, but Club Members accumulate points towards the Club Championships.

We would like to thank Scarborough & DMC and Guisborough & DMC for allowing us to post our results on their websites.

We will also post notices and results on Trials Central & the Hull Auto Facebook page .
