

Sunday 28th April 2019,

Hull Auto Club, Farndale, North Yorks, OPEN 2-lap Charity Trial -update.

On Sunday 28th April Hull Auto Club will run their Open Dave Summer Trial for the Kennington Cup, the first or their two Farndale 2- lap charity trials set on great trials land in the beautiful valley of Farndale in the midst of the Yorkshire Moors.

As the trial is in aid of the Farndale Village Hall Fund, landowners have allowed us to link 3 adjacent farms to give 2 laps of 20 or more varied sections with a great ride round all off road.

It is an OPEN, enter on the day trial for all Adult & Youth A & B (no youth C) solos with routes for Experts, Intermediates, Clubman A and Clubman B, twin shocks ride Clubman B route.

This event also incorporates the East Yorks Centre Adult, Clubman and twin-shock Championship rounds and the East Yorks Centre Inter Club Team Trial.

For insurance purposes, the ACU requires us to tighten up on licence checks, so remember to present your Violet 2019 trials licence when entering; otherwise it's an extra £3 for a One Event Trials Registration

There will not be a white route at this venue but we hope to run a conducted D & E route adjacent to the start field.

Members of the village hall committee will be selling the normal butties and hot drinks after the event –free to all observers/helpers..

The start is at 10.30 prompt at Wether Hill Farm, Farndale, Kirkbymoorside, North Yorks, YO62 7LA. Flagged from the Hutton le Hole to Castleton road, down Blakey Bank to Church Houses, then across to the West side. Only use the flagged route into Farndale.

Please allow ample time to get to the venue and enter well before the 10:30 start, as the route from Blakey Ridge is narrow and long.

In the event of bad weather, please look on Trials Central or Scarborough & DMC or Guisborough & DMC websites & Hull Auto FB page for any updates.
