Thanks to Alan & Sam Dring for the use of this great bit of land, and for insisting on the morning that the trial went ahead despite the overnight rain which made the parking field unusable. Then Alan organised the parking inside and outside their yard, just a good job nobody else turned up! Thanks to the CoC Roy Jarvis for setting up the trial assisted by me, Alan & James Dring, Roy also had to make major changes to some sections due to the overnight rain and loss of river sections.

Thanks to all the observers for turning out in such conditions, navigating the muddy walk to the sections & standing out in the rain - Andrew Pulman, Peter Simpson, Peter Darrell, Jim Austermuhle, Ian Morley, Matt Sharp, Alan Dring, Sam Dring, Jayne Peace, Harold Wilson and Peter Race. Thanks to Ian Morley and Matt Sharp for giving up their rides to observe, and to John Bullen for offering to.

Hull Auto Club is centered in Ryedale, North Yorkshire and only runs trials in Rosedale, Farndale, Helmsley and Lockton areas of North Yorkshire. All our trials are OPEN, but Club Members accumulate points towards the Club Championships.

We would like to thank Scarborough & DMC and Guisborough & DMC for allowing us to post our results on their websites. **We will also post notices and results on Trials Central & the Hull Auto Facebook page .**

When looking on the SDMC website for other clubs results/regs, go to regs & results, regs & docs, centre regs

Our last trial of the 2019 season will be held at Lownorth Park, Harwood Dale on Sunday 15th December by kind permission of Scarborough & DMC. It's an OPEN, enter on the day event and CoC Roy Jarvis is looking forward to plotting sections there.

At that trial I will have Hull Auto's 2020 ACU unique numbers (this will allow on-line renewal of the ACU Trials registration before the New Year) for issue to those who wish to renew their membership of Hull Auto Club or those who wish to join.
